Dear Mr Rehder

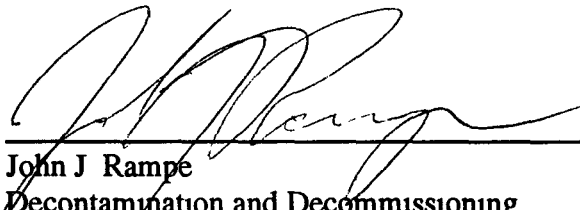

Enclosed please find three copies of the draft Decommissioning Program Plan (DPP) for the Rocky Flats Environmental Technology Site. This version of the DPP, dated March 16, 1998, addresses written comments submitted by regulatory staff on the previous version of the DPP. The enclosed version also incorporates the agreements reached at meetings with regulator staff on March 4 and 11, 1998. New language is highlighted in bold, and language deleted from the previous version is indicated by strike-through text.

We are hereby requesting your agency's concurrence to release the DPP for public comment, after the highlighted and strike-through language is deleted and the table of contents is updated, and ask that you provide this concurrence to us in writing within fourteen days of the date of this letter. We intend to distribute the DPP for a sixty-day public comment period. Upon receiving your concurrence, we will work with your staff and interested stakeholders, such as the Rocky Flats Citizens' Advisory Board, to determine the dates for the public comment period.

Thank you for your assistance in this matter. If you have any questions regarding the DPP, please call John Rampe at 966-6246.

Sincerely,
